14. INTERESTS OF THE OFFERER, PROMOTER, SYNDICATE MANAGER, RACING MANAGER, THEIR DIRECTORS AND EXPERTS.

- 14.1 Neither the Offeror, Promoter, Syndicate Manager nor Racing Manager has any interest nor has had in the period of two years before the date of this PDS any interest in relation to the promotion of the Syndicate or in the FILLY other than the interests detailed in this PDS.
- 14.2 No Director or proposed Director of the Offeror, Promoter, Syndicate Manager or Racing Manager has any interest or has had in the period of two years before the date of this PDS any interest in relation to the promotion of the Syndicate or in the FILLY other than emoluments he or she may be entitled to receive from the Offeror, Promoter or Syndicate Manager and interests detailed in this PDS.

- 14.3 Neither the Offeror, Promoter, Syndicate Manager or Racing Manager have any financial interest in the Sire or the Dam of the FILLY being offered nor have they received a free service/nomination to the Sire.
- 14.4 The Offeror, Promoter, Syndicate Manager or Racing Manager do not directly influence experts such as Trainers, Veterinarians or Valuers to provide advice that is biased, nor do these experts have any commercial reason to provide advice which is biased.
- 14.5 Dr Comber has no interest in relation to the promotion of the Syndicate or in the FILLY except that he will receive a professional fee in connection with the provision of the Veterinary Report.
- 14.6 There is nothing in the Syndicate Deed to prevent either themselves or any members, officers, directors of the Offeror, Promoter, Syndicate Manager, Racing Manager or any corporation related to any of them or their officers from purchasing, holding, dealing in or disposing of Shares in the Syndicate, or from otherwise contracting or acting as agent or entering into or being interested in any contract or transaction whatsoever with any other of them or with any Shareholders, provided that those persons shall act, in connection with such transactions, in a fiduciary relationship of utmost good faith to Shareholders. Important to note that no investor can dispose of their share unless they engage the services of someone licensed to do so.
- 14.7 In the instance where the Offeror, Promoter, Syndicate Manager, Racing Manager and/or Trainer retain a share in the horse, the share is a commercial investment and the appropriate fees are apportioned to the Offeror, Promoter, Syndicate Manager, Racing Manager and/or Trainer as they are to all shareholders.

15. SUMMARY OF RIGHTS AND LIABILITIES ATTACHING TO SHARES IN THE SYNDICATE AND OTHER RELEVANT INFORMATION.

The full rights and liabilities attaching to Shares in the Syndicate are set out in the Syndicate Deed annexed to this PDS. Each prospective purchaser of a Share ("the Purchaser") should refer to that document for full information as he or she will be bound by its terms. Some essential points are as follows:-

- 15.1 Neither the Offeror nor any person or corporation named in the Syndicate Deed nor any one on their behalf makes any representation or warranty with regard to either:
- (a) The suitability of the FILLY either for racing or, if relevant, subsequently for stud duties; or
 - (b) The reliability or adequacy of any insurance cover either arranged for the benefit of the Owners or referred to in either this PDS or the Syndicate Deed.

Each Purchaser of a Share must acknowledge entering into the Syndicate at his or her own risk and being aware that investment in the racing of thoroughbred horses is highly speculative.

- 15.2
- (a) The Owner of each Share shall be entitled to a pro-rata share of net prize money and bonuses earned by the FILLY from racing, as provided in the Syndicate Deed.
 - (b) All trophies won by the FILLY will be managed at the Discretion of the Racing Manager.
 - (c) The entitlements of the Owner are subject to the default provisions of the Syndicate Deed.

- 15.3
- (a) The Owner of each share shall be liable for a pro-rata share of costs associated with operating the Syndicate and racing the FILLY, including, but not limited to, insurance, transport, veterinary, agistment, breaking-in, pre-training and racing expenses, as provided for in the Syndicate Deed.
 - (b) Investors should be aware that it is estimated the annual cost of operating the Syndicate (including training, racing, management and compliance) should not exceed an average of Four Hundred and Fifty dollars (\$450) per month, per 10% share however, this is an estimate only, as the actual cost will depend on many variable factors which are not possible either to forecast or foresee at this time.

- (c) The trainer has elected to invoice each Owner monthly for his or her pro rata share of all costs associated with training and racing the FILLY. Each Owner will be required to pay his or her pro rata share of such costs directly to the trainer in accordance with the trainer's terms on the invoice. The monthly amount payable by each owner to the trainer will vary from month to month.
- (d) The Trainer will invoice each Owner monthly for his or her pro rata share of all costs associated with managing this FILLY. Each Owner will be required to pay his or her pro rata share of such costs directly to Syndicate Manager in accordance with the terms on the invoice.
- (e) The ongoing management fee payable to the Syndicate Manager will be billed directly from the trainer until the horse is sold or retired.
- (f) Expenses in future years may increase on those stated in this PDS.

15.4

- (a) In the event of either the sale of the FILLY or any ownership interest in the FILLY, or the sale of Shares by any of the Owners, a Commission of ten percent (10%) is to be paid to the Syndicate Manager
- (b) In the event the FILLY, has commercial interest for sale during or after its racing career Syndicate Manager is appointed as Exclusive Agent to sell the horse on behalf of the owners, a Commission of ten percent (10%) will be applicable should a successful sale take place and trainer *Emma-Lee & David Browne* is also entitled to a 5% share as prizemoney compensation for the horse being sold.
- (c) In the event the Syndicate Manager receives an offer from a party who is not an Owner to purchase part or all of the FILLY then pursuant to the Syndicate Deed if a majority being 60% of Owners accept the offer then the minority 40% are compelled to sell pursuant to the offer made.

15.5 An applicant may elect to have the horse tested for a prohibited substance under the Australian Rules of Racing, with the cost of testing to be borne by all the Owners (whether or not they have elected to have the horse tested).

15.6 A procedure for handling internal complaints is provided by the provisions of clause 9 of the Syndicate Deed, which includes the right of an Owner, in certain circumstances, to have the dispute referred to the Australian Financial Complaints Authority ("AFCA") or any other such authority that may take its place, for determination by conciliation or arbitration.

Investors should be aware that the Offeror, Promoter, Racing Manager and or Syndicate Manager may acquire Shares in the Syndicate and that they may acquire any number of shares.

16. REGISTRATION OF THE SYNDICATE

Within 45 days after applications for the minimum number of interests in the syndicate are received or the minimum amount for the syndicate has been raised the Syndicate Manager will register the syndicate with Racing Victoria.

17. MARKETABILITY OF SHARES

An Owner will not be able to offer for purchase, or issue invitations to buy Shares, unless the prospective purchaser is provided with an Information Memorandum prepared by the Syndicate Manager in accordance with the provisions of the Syndicate Deed.

In addition, there are restrictions contained in the Syndicate Deed on the transfer of Shares. There will be no ready market for the shares. Each owner should consider the subscription as a long term investment.

18. WARNING

Investment in bloodstock must be considered to be of a speculative nature.

19. RISK

Fluctuations in the value and sale price of Shares should be anticipated. Factors which will influence both the value and sale price of Shares, without limitation, include:-

- 19.1 Racecourse performances of the FILLY and related bloodstock.
- 19.2 The FILLY may die or value be diminished as a consequence of accident, contraction of disease or natural cause.
- 19.3 The level of demand for related bloodstock and bloodstock of equivalent calibre both at public auction and by private treaty.
- 19.4 The level of supply of related bloodstock and bloodstock of equivalent calibre both at public auction and by private treaty.
- 19.5 Any change in the current conditions affecting investment in the bloodstock industry, including level of prize money and taxation benefits available to bloodstock breeders.
- 19.6 Changing conditions within the Australian economy generally.
- 19.7 The price which buyers at public auction or by private treaty are willing to pay either for the FILLY or Shares in the FILLY if offered for sale may not reflect either the purchase price paid by the Offeror for the FILLY, or the sale price of the Shares offered by this PDS.

Further considerations include:-

- 19.8 The FILLY may not become a racehorse.
- 19.9 That not all racehorses earn prizemoney.
- 19.10 Insurance when secured may not cover all circumstances.

20. COOLING OFF PERIOD

Each applicant for a share in this filly has the right to advise in writing their wish not to proceed during a 14 day period starting on the earlier of:

- a) acceptance of the application by the Promoter to the Applicant in writing; or
- b) the end of the 5th day after payment for the share is made to the Promoter

Upon receipt of that notification the Promoter shall return any funds paid within 7 business days and remove the Applicant as a shareholder or cancel the application.

Re: Magnus x Desert Pegasus '21

Breeding: Thoroughbred

Microchip: 985 100012213834

Description: 1yo Chestnut Filly

I completed a physical examination on the above-mentioned filly at Cranbourne Training Complex on behalf of Toward Reward Thoroughbreds PTY LTD for the purpose of assessing its suitability to be syndicated. The findings of this examination were within the normal limits of a clinical assessment. In my opinion this horse is suitable for syndication. No radiography, endoscopy, ultrasonography, electrocardiography or blood testing was requested or performed.

This certificate or report is provided for inclusion in a product disclosure statement for the sale of shares and I consent to the report being included. This report does not equate to the EVA Five Stage Pre Purchase Examination certificate. I confirm I have no financial interest in the horse other than to which the report relates, other than the fact that I shall receive a fee for undertaking the examination and providing this report.

Please feel free to contact me if you have any questions or concerns.

Kind regards

Dr Louise Comber
